I'm a designer specializing in human-centered design with a focus on equity and social impact, currently seeking Summer 2026 opportunities in experience design, product design, and user research. My practice centers on creating a more just and accessible public realm through design. I bring critical thinking, cross-disciplinary skills developed through diverse professional experiences, and the ability to collaborate across English, Spanish, and French-speaking contexts.

## EXPERIENCE

### HARVEY MUDD COLLEGE, Claremont, CA

#### TEACHING ASSISTANT, Fall 2025

Teaching assistant for Design Equity taught by professor and Head of Design at NASA Jet Propulsion Laboratory Kareem Collie. Assisted in curriculum development; guided students through positionality work, design thinking, and systems thinking; and organized digital and physical learning tools.

### LO-TEK INSTITUTE AND OFFICE, Remote

#### WEB DESIGN INTERN, Summer 2025

Reported directly to Founder Julia Watson. Redesigned personal website for founder, designing website for Lo-TEK's new urban design firm; and individual pages, such as Lo-TEK water book page.

### NAOMI NOMI, Brooklyn, NY

#### STUDIO ASSISTANT, Summer 2025

Assisted with product packaging and presentation, redesigned and organized studio workspace to improve efficiency and user flow, supported production through fabric sourcing and coordinated deliveries between suppliers and factories.

#### E-COMMERCE DESIGN ASSISTANT, 2023-2025

Reported directly to Founder and C.E.O. Naomi Mishkin. Designed UI for e-commerce fashion design website, designed PLPs, PDPs, and sizing chart pop-ups; conducted competitive analysis research; assessed website performance; expanded brand presence to a new social media platform.

#### APPRENTICESHIP, 2018-2022

Compiled and organized research of international manufacturers and fabric mills; applied brand layer to product; developed mood boards and color names; assisted seasonal fashion shoots for web; and assisted at fabric trade fairs.

### COMBINED ARCHITECTURE, Brooklyn, NYC

#### ARCHITECTURE INTERN, Summer 2021

Surveyed a 60,000-sq ft. property and digitally organized findings.
